

ONE OF AMERICA'S GREAT PRIVATE GOLF CLUBS

*Sitting slightly higher in elevation, the community offers
a pleasant climate that encourages you to be outdoors.*

NORTH SCOTTSDALE, ARIZONA: Mirabel is a debt-free, member owned, operated, and controlled private club on 700 rolling acres in North Scottsdale—with highly personalized service. While smaller and more intimate than other private clubs in the area, its amenities equal its larger competitors in the Scottsdale market.

Membership benefits include a Tom Fazio designed golf course; a modern, 34,000 square-foot Frank Lloyd Wright-influenced Desert Lodge Clubhouse; a complete fitness center; four Har-Tru tennis courts; intimate spa treatment facilities; and a resort-size pool complete with poolside cabanas.

“The private club industry will have many winners and losers in this decade,” said Tom Fazio. “Mirabel has positioned itself to be one of those winners. Its long-range planning has created a solid financial foundation and a proud, upscale membership. I think private clubs around the world can learn from Mirabel’s management and operations.”

Golf Channel Analyst Brandel Chamblee confirms Fazio’s assessment. “Mirabel is a fabulous course. Its lifestyle is pure luxury. The club delivers on needs you haven’t even thought of. Their service standards are at the highest level.”

Mirabel is listed on *Golfweek’s* Top 100 Residential Golf Courses for 2014. ■
