

# FLORIDA'S GEM OF THE TREASURE COAST

*"Orchid Island Beach and Golf Club is simply outstanding."* – ARNOLD PALMER

VERO BEACH, FLORIDA: Orchid Island Golf and Beach Club is a unique one-of-a-kind gem located along the sun drenched Treasure Coast on a barrier island just north of the charming seaside town of Vero Beach.

"We are a member-owned and operated community with no permanent or seasonal debt," stated Rob Tench, general manager at Orchid Island. "Our Board of Directors maintains solid fiscal stewardship allowing us to make sound investments for the betterment of the club."

**ORCHID ISLAND GOLF AND BEACH CLUB includes an Arnold Palmer designed course, eight Har-Tru tennis courts, a mile-long secluded beach, a heated pool with private cabanas, a beachside full-service restaurant, and three separate clubhouses.**

beamed John Crosby, chairman of the renovations committee. "We had 100 members participate in focus groups discussing ideas for clubhouse improvements."

Through member feedback, the main dining room was redesigned to create a more casual and social atmosphere.

"Since outside dining is very popular, particularly during the season, we also expanded the outside dining area, which is now partially covered and added fire pits to enhance the ambiance," described Crosby.

The Golf Clubhouse

Orchid Island's membership has reinvested millions of dollars into amenities. Three years ago, it completed an expansion of its Tennis and Wellness Center and over this past summer, the club's Golf Clubhouse was renovated and reimaged. Next on the agenda is the expansion of facilities at its West Indies inspired Beach Club.

## AN EMPOWERED MEMBERSHIP

One out of every seven members participates on a committee. "We have an extraordinarily involved membership,"

## MISSION ACCOMPLISHED

"Our continuing investments pay dividends," stated Ted Hutton, president of the Board. "Our modern Tennis and Wellness Center was instrumental for Orchid Island's recent ranking as one of the 'Top 20 Healthiest Clubs' in the nation by Prevo Health.

"Also, the continuing upgrades in equipment and course maintenance protocols allows us to be one of the few Audubon certified communities in Florida.

"With a new chef and dining experience in place, Orchid Island will continue its tradition of excellence." ■
