

Champion Hills

A CLUB FOR GENERATIONS

Golf and Social memberships include a generational feature that allows member parents, children and grandchildren of any age to use the club as full members.

HENDERSONVILLE, NORTH CAROLINA: The most influential course rating in golf is *Golf Digest's* ranking of "America's Best Golf Courses." Since 1966, *Golf Digest's* analysis has been closely watched and debated. Champion Hills, set in the Blue Ridge Mountains 25 minutes south of Asheville, is ranked No. 6 in North Carolina and No. 1 in Western North Carolina among private, year-round courses in *Golf Digest's* 2015 review.

"One reason I think we rate so highly in *Golf Digest's* list is our conditioning," said Brian Fitzgerald, president of the Board at Champion Hills. "Our mountain environment can create a real challenge to maintain A+ conditions. As a Board, we provide the superintendent with an ample budget and let him do his job."

JUST 30 MINUTES FROM ASHEVILLE

Asheville, one of the cultural and entertainment centers in the South, is a short drive from Champion Hills and has won many awards. It was named Best Beer City and has been included among Best U.S. Foodie Meccas, 12 Greatest Music Cities, and 9 Most Romantic Cities in the South.

ROCK OF GILBRALTAR FINANCIALS

Champion Hills is debt free and member owned. Nearly half of the residents live year-round at the club. Amenities include a Tom Fazio golf course, a mountain-top clubhouse, tennis center, fitness facility, and miles of hiking trails. "No other living golf architect has more courses among the top 100 in America than Tom Fazio, and yet Tom calls Champion Hills his summer home golf course," beamed Fitzgerald. "I think that says something about the quality of our golf experience."

ONE COMMUNITY—OVER 100 CHOICES

"We are an active and progressive community," stated Fitzgerald. "Our welcoming committee assists new members for a year to help them acclimate to a superlative lifestyle."

"Membership at Champion Hills opens doors across the country. Not only do you have unlimited access at Fazio's summer course, but you are welcomed to play at a growing list of over 100 private golf clubs across the country and the Bahamas. Membership truly has its privileges." ■
