

The Colors of Mayakoba

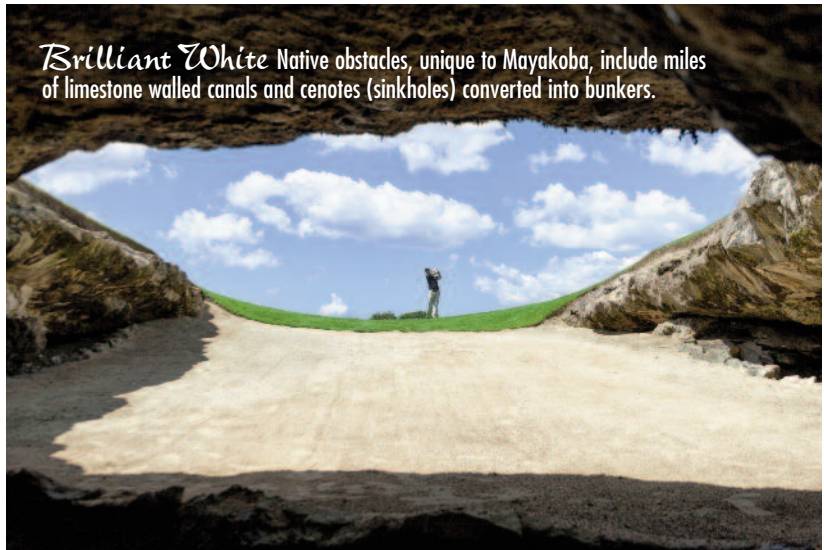

Emerald Green The ocean side of El Camaleon Golf Course is part of a vast system of mangrove wetlands and several beachfront holes. For more information, visit MayakobaGolf.com.

Site of the PGA TOUR's OHL Classic, the \$1 billion resort located in Riviera Maya, just south of Cancun, features a Greg Norman golf course and Rosewood, Banyan Tree, Andaz, and Fairmont flagged hotels.

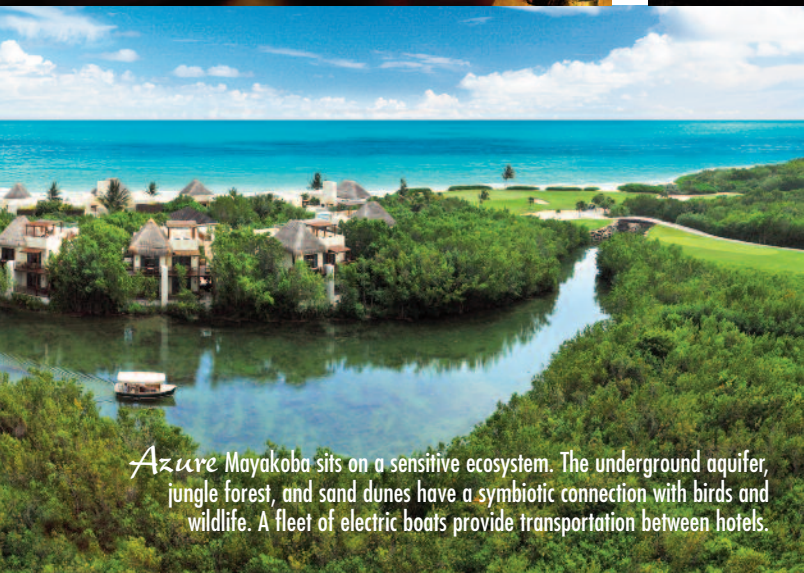

Bronzen Hue

Each hotel offers stunning architecture, highly regarded restaurants, and a wealth of amenities.

Brilliant White Native obstacles, unique to Mayakoba, include miles of limestone walled canals and cenotes (sinkholes) converted into bunkers.

Azure Mayakoba sits on a sensitive ecosystem. The underground aquifer, jungle forest, and sand dunes have a symbiotic connection with birds and wildlife. A fleet of electric boats provide transportation between hotels.

Earthen Brown Mayans believe proper balance is a key to life. Their teachings help determine proper spa therapy choices.
