

The Jewel of the **TREASURE COAST**

ORCHID ISLAND has gained certification as being one of "America's Healthiest Clubs" from Prevo Health Solutions, as well as awarded the designation of being a "Distinguished Emerald Club of the World."

Orchid Island Golf & Beach Club, a member-owned and debt free community, is located on a barrier island along the Treasure Coast.

TREASURE COAST OF FLORIDA: Three centuries ago, a fierce storm drove eleven Spanish galleons laden with \$30 million in gold, silver, and jewels onto nearby reefs. Today, you can still watch divers bring up bounty from just off the beach, perpetuating the area's nickname, "Treasure Coast."

"Our area's market is healthy and consistent," reported Scott Oberlink, Broker at Orchid Island Golf & Beach Club. "Values are strong while pricing remains equitable in this exclusive sea side town. We don't have to compete with large developers and crowded streets. Community planners have allowed for intelligent growth while keeping our small-town charm and laid-back lifestyle."

Orchid Island Golf & Beach Club is just minutes from the Ocean Drive shopping and dining district.

ORCHID ISLAND is a Certified Audubon Cooperative Sanctuary and proudly protects the natural environment and wildlife that enhance the unique beauty of the community.

Vero Beach Museum of Art and Riverside Theater provide sophisticated shows and cultural events year round. Residents enjoy an outstanding Arnold Palmer designed golf course, eight Har-Tru tennis courts, a mile-long secluded beach, a heated resort-style pool with private cabanas, and three separate clubhouses: Golf Club, Beach Club, and Tennis & Wellness Center.

"We are one of the few private golf clubs in Florida to offer direct beach access," praised Oberlink. "You can have your toes in the sand in under five minutes from anywhere in our community. Step out from your oceanfront, low-rise condominium or breeze over in your personal golf cart. Our members claim they can feel their shoulders relax when they approach the gates at Orchid."

WEST INDIES ARCHITECTURAL THEME

Orchid Island is one of the most visually stunning and exclusive private clubs along the Atlantic Ocean. "British West Indies is the architectural language communicated throughout the neighborhood," stated Oberlink. "The homes are surrounded with lush tropical landscape that is maintained with exacting standards. Best of all, we have something for everyone from ready move-in existing homes to new custom homes on varied homesites of your choice." ■
