

Energize and Refresh While Exploring BERMUDA'S TREASURES

HAMILTON, BERMUDA: Close your eyes, take a deep breath, and imagine curling your toes into the warm, pink hued sand on one of Bermuda's famous beaches. With its mix of modern resorts, old-world charm, and British influenced civility, it isn't surprising that *Condé Nast Traveler* readers have voted Bermuda "Best Island in the Caribbean" an unprecedented 18 times.

With six courses, the country has one of the highest concentrations of golf per square mile in the world. Two of the island's standout choices to play are Mid Ocean Club, a classic C.B. Macdonald design, with surprising elevation change, and Port Royal Golf Club, ranked as one of the world's best public courses. Both offer vivid contrast of colors that change during the day. *Golf Digest* accurately captured the appeal by reporting, "hard to say which is better—Bermuda's golf or its views."

CLOSER THAN YOU MIGHT IMAGINE

The British territory's appeal of famous beaches, pastel colors, proper culture, and close proximity to America (New York and Boston are around a two-hour flight) has created a tourism renaissance, prompting the St. Regis brand to break ground on a new resort on the East End of the island.

"Many of Bermuda's customs, from driving on the left side of the road to cricket being a popular sport to the locals' dry sense of humor can be traced back to its English roots," explained Andrew Brooks, director of golf sales and marketing. "The island's heritage plays a part in making it a dynamic vacation destination. Hospitality

The 16th hole, Port Royal

"PORT ROYAL is a beautiful course with many picturesque views. Obviously, everyone talks about the 16th hole, the par three that plays over the waters of the Atlantic Ocean, but the 8th is equally as beautiful."

Bermuda served as the British Royal Navy's Western Atlantic headquarters and it was an important depot to ferry supplies to the Confederates during the U.S. Civil War. Dozens of ancient fortresses dot its shoreline as monuments to ages past.

comes naturally. You quickly feel a sense of welcome. When you play Port Royal Golf Club, past host to the PGA Grand Slam of Golf, you have the opportunity to play like a champion and get treated like one, too." ■
