

CABO

at its finest

“Diamante is one of the best pieces of land we’ve ever built on.”

— DAVIS LOVE III, 20 TIME PGA TOUR WINNER

“THE MAN-MADE LAGOON IS UNBELIEVABLE AND JUMPING OFF THE TRAMPOLINES INTO THE CLEAR WATER MAKES ME FEEL LIKE A KID AGAIN.”

— ROGER CLEMENS, TWO-TIME WORLD SERIES CHAMPION, AND SEVEN-TIME CY YOUNG AWARD WINNER

CABO SAN LUCAS, MEXICO: Biologists have found that water has a calming effect on our psyche. It helps us relax and, of course, exercise helps us mentally and physically. “We know that people like to spend their vacation around water and get enjoyment from water sports,” said Ken Jowdy, CEO of Diamante. “We made sure water, whether it be ocean views or our man-made, swimmable saltwater Crystal Lagoon was featured prominently at our 1,500-acre private resort.”

WATER, WATER EVERYWHERE

Diamante offers the most complete set of amenities in Los Cabos. Members have access to Tiger Woods and Davis Love III courses, a Tiger Woods short course, the 14-acre practice facility, 1.5-mile white sand beach, a 10-acre saltwater lagoon, kids’ activity beach, multiple restaurants, luxurious spa, and a sports activity center.

“Our Davis Love III course is ranked No. 36 in *Golf Magazine’s* ‘Top-100 Courses in the World 2017’ and is considered the No. 1 course in Mexico by *Golf Digest*,” said

Jowdy. “I think the editors of *Golf Magazine* summed it up best by noting that our Love designed course is ‘built on sand and next to the sea, the experience is reminiscent of Ireland, only 30 degrees warmer.’”

THE GOLDEN AGE OF GOLF

El Cardonal, Tiger’s course at Diamante, was inspired by classic “Golden Age” courses on the West Coast that Woods played as a youngster. Native dunes and natural, irregular contours on the fairways along with high-faced, greenside bunkers further enhance the old-style look and feel.

“I’ve always loved MacKenzie, Ross, and Tillinghast designs,” explained Tiger Woods. “The trio influenced my design philosophy. El Cardonal makes you think. You must be willing to weigh risks and decide on smart choices.” ■
