

The Landings Club...

the only **coastal** private community offering access to six courses.

OUTSIDE SAVANNAH, GEORGIA: As a past president of the MGA (Metropolitan Golf Association), Al Small had the opportunity to play many of the Northeast's finest golf courses. "The tri-state area surrounding New York City has a laundry list of historic courses worthy of major championships," explained Small.

"I went to college in Western North Carolina and on most spring breaks and long weekends, Coastal Georgia was my getaway," reminisced Small. "When my wife Patti and I decided to move south, Charleston and Savannah

were our cities of choice. Both of us are avid golfers and with The Landings on Skidaway Island offering six excellent courses, it clearly fit our lifestyle."

NEW NEIGHBORS CLUB

The Landings is a member-owned, debt-free private club. Off course island amenities include four clubhouses, two full-service marinas, 30 miles of trails, 150+ stocked fishing lagoons, six pickleball courts, 32 Har-Tru tennis courts, 35+ youth camps, five pools, and a two-acre community farm.

THE WEB.COM TOUR is one of six Tours underneath the PGA TOUR umbrella. The top 50 Web.com season money winners receive a golden ticket—a PGA TOUR card. Last month, the Savannah Golf Championship, the newest addition to the Web.com Tour, was played on the Tom Fazio designed Deer Creek course.

A three-year, \$25 million capital reinvestment program broke ground last month.

A honeymoon period for new members lasts three years. "The New Neighbors Club at The Landings is a program that other communities should emulate," said Small. "It's an opportunity for those new to The Landings to socialize with fellow freshman members. The events are frequent and wide-ranging, including a recent trip to Fort Stewart. Activities included climbing into impressive M1 Abrams tanks and mingling with a handful of our brave soldiers." ■

The Metropolitan Golf Association (MGA) was founded in 1897 at Delmonico's, a restaurant in New York City's Central Park. Today, the Golf Association serves 500+ golf courses (both public and private) and 500,000 golfers.
