# Celebrating the Joys of Living

*Eden Roc at Cap Cana is the only Relais & Châteaux property in the Dominican Republic.*

CAP CANA, DOMINICAN REPUBLIC: Relais & Châteaux is a global fellowship of individually owned and operated luxury hotels and restaurants with operations in 60 countries on five continents.

Established in France more than a half century ago, the association’s mission is to spread its art de vivre across the globe by selecting outstanding properties with a truly unique character. Entrance into the exclusive organization requires careful evaluation of a resort’s character, courtesy, calm, charm, and cuisine—referred to as the “five Cs.”

## UNDENIABLE CONVENIENCE

Located 10 minutes from Punta Cana International Airport, the convenience of a short drive to Eden Roc at Cap Cana is a pleasant surprise. The resort offers accom-

modations from crisply designed oceanfront suites to stand-alone villas with private pools. Aesthetics mirror that of fine resorts located on the French and Italian Riviéras.

Onsite amenities include a Blue Flag certified beach club, a brand new 30,000 square-foot Solaya Spa & Wellness Center, a Jack Nicklaus Signature Course (ranked the No. 1 course in the Caribbean by *Golfweek*), and six distinct dining venues. “Our resort is the ultimate romantic escape,” expressed Stefano Baratelli, general manager. “Enjoy a chef-tailored, four-course dinner in your private villa and a bottle of the most elegant champagne to toast your pure Caribbean bliss.” ■
