

Coming Into Focus

“Nowhere else in the world is there a golf experience like Punta Espada at Cap Cana.” – JACK NICKLAUS

CAP CANA, DOMINICAN REPUBLIC: Shutterfly’s 10 million customers place 26 million orders and download 40 billion photos annually. Only a fraction of photos taken ever make it to one of the company’s popular photo albums.

“Scenery surrounding Punta Espada Golf Club, a Jack Nicklaus Signature oceanfront course with eight holes that hug along the craggy edges of the Caribbean’s blue waters, can easily fill a monthly calendar,” said Efren Garcia, general manager of Punta Espada. “You will have to be choosy creating your layouts with so many great shots at your fingertips.”

Golfweek has rated Punta Espada the No. 1 golf course in the Caribbean and Mexico for eight consecutive years, and *Golf Digest* rates it No. 63 in the world.

“There are a lot of hero shots, but it’s still playable for the average golfer. My design takes full advantage of its oceanfront location,” praised Jack Nicklaus. ■
