SAVANNAH, GEORGIA: Tom Fazio was clearly pleased when the Korn Ferry Tour announced its partnership with The Landings Club by establishing The Club Car Championship, played on its Deer Creek Course. “The club offers top-notch golf,” praised Fazio. “Not many private clubs in the world can compare to its diverse courses and overall amenities. It offers an ideal setting for great living. I had a wonderful piece of land to work with and the setting is one of a kind. I have many golf courses I am proud of. If I placed my top 15 designs into a hat and only one could be picked, I would be happy to stake my reputation on my course at The Landings Club.”

***Condé Nast Traveler, USA Today, Prevo Health Solutions, Bliss Awards, and Savannah Magazine all laud The Landings Club as a top private community.***

In the fall, the Korn Ferry Tour will return again to host the Final Stage of Q-School at the Arnold Palmer designed Marshwood and Magnolia courses—testing the future’s brightest players as they compete for status on the 2021-2022 Korn Ferry Tour.

Long known as one of the finest golf communities in the Southeast, the hallmark of The Landings Club is member access to six courses designed by Arnold Palmer, Tom Fazio, Arthur Hills, and Willard Byrd.

“In the past decade, \$62 million in capital projects have been completed,” explained Gary Lorfano, director of membership, marketing, and sales. “The latest enhancements are the completion of our Marshwood Clubhouse and Franklin Pool Complex, known as The Deck. This year our attention turns to a renovation of our Magnolia Course and a new Golf Coaching Center at the Deer Creek Course.”

Off the course, The Landings Club amenities are impressive with five campuses, seven restaurants, two full-service marinas, 30 miles of trails, 150+ stocked lagoons, 11 pickleball courts, 31 tennis courts, 8 bocce courts, 35+ youth camps, five pools, and a two-acre community farm. “We do have competition,” reported Lorfano. “At our peers, you must travel by car to reach different amenities. At The Landings Club, everything is accessible by hopping in your golf cart. It’s an undeniable convenience.” ■
