

Trump National Doral

Where style and luxury meet at Miami's most legendary golf resort.

DID YOU KNOW?

The resort's Blue Monster Course hosted PGA/WGC events for 55 consecutive years; hosted PGA events from 1962-2016.

MIAMI, FLORIDA: Golf is rife with jargon of interesting origins. The etymology of “fore” is debated. The most credible derivation is the word forecaddie abbreviated to the word fore.

One of the most iconic golf course names in the world is Blue Monster at Trump National Doral. The course hosted PGA TOUR events for 55 years. In fact, virtually every great name in golf had a moment of personal triumph or defeat on its famous 18th hole, ranked by *Golf Magazine* as one of the “Top 100 Holes in the World.”

The moniker, Blue Monster, was earned in 1963. With swirling winds and water visible or in play on every hole, PGA TOUR players faced challenging conditions. During a press conference, the tournament director referred to the course playing like a “monster.” The nickname stuck.

A SOUTH FLORIDA ICON

Today, Trump National Doral is firmly established as a South Florida golf destination with four championship courses. “As the city of Doral grew, so did our resort,” said Allison Dlugatz, general manager at Trump National Doral. “In some ways, we are a small city with so much to offer, both inside and outside our gates. With our proximity to the Miami International Airport, you can be from

tarmac to tee time in less time than it takes to wait in line for your coffee at Starbucks.”

Trump National Doral is an 800-acre oasis in the heart of Miami, eight miles from the Miami Airport and minutes from the lively nightlife of South Beach. Its 643 guest rooms and suites offer marble bathroom floors and hand-made Italian bed linens. Amenities include 100,000 square feet of meeting space, a 48,000 square-foot spa, and one of the largest “green grass” golf shops in the world. Even forethought went into the resort’s Royal Palm Pool with both family-friendly and adults-only zones. ■

(Left) The Red Tiger Course has five par-5s and six par-3s. It’s named in honor of the late comedian Jackie Gleason’s reference to it being a golf course he could never master.
