*Creating lifelong connections and unforgettable experiences.*

HENDERSON, NEVADA: Located 20 minutes from the Las Vegas Strip, Anthem Country Club offers an oasis where you can escape the hustle of the city without sacrificing access to its vibrancy. Whether you're local, regional, or national—membership at Anthem welcomes everyone with no property purchase required and various membership types available to suit your lifestyle.

## *WHERE COMMUNITY COMES ALIVE*

Anthem Country Club members don't just connect—they thrive. From themed bunco nights like Friendsgiving to tropical Flipping Out events, Anthem knows how to "social it up." The club is home to a robust calendar of activities, offering something for every member of the family. Kids' events, casual mixers, fitness programs, and even culinary showcases ensure there's always an opportunity to connect and have fun.

"Our club is built on relationships," said Shelley Caiazzo, general manager. "Whether it's a wave from a neighbor while driving our three-mile loop or the camaraderie at events, Anthem fosters a genuine sense of belonging. Our members value the flexibility of living either

behind the gates or nearby, and they appreciate the unique benefits of being part of a member-owned private club."

## *A GOLFER'S PARADISE WITH A MODERN PERSPECTIVE*

At Anthem, the odds of having an unforgettable day of golf are better than ever. The club's championship course offers pristine greens, manicured fairways, and stunning views. Its recent renovations didn't just elevate the course's playability but also significantly reduced irrigation needs—reflecting a forward-thinking commitment to environmental stewardship.

"This is a big issue in Las Vegas," Caiazzo explained. "Our region's arid climate means sustainability isn't just a goal—it's a responsibility. By cutting irrigation use by 30 percent, we're setting an example for how clubs can balance excellence in golf with a commitment to conservation."

## *FAMILY, FUN, AND FLEXIBILITY*

While golf is a cornerstone of Anthem, the club's offerings go far beyond the fairways. Families enjoy an array of activities, from poolside gatherings to tennis and pickleball tournaments. Anthem's warmth, combined with its dynamic social programs, makes it a hub for creating lasting memories.

"Anthem Country Club isn't just a place to play golf or enjoy a meal—it's a lifestyle," emphasized Caiazzo. "Our members value the community we've built, and that's what sets us apart. At Anthem, you're not just joining a club—you're becoming part of something special." ■

Its lighted tennis courts and pickleball courts are popular gathering spots.

Anthem Country Club's pool offers five lap lanes, a large leisure swim area, and a one-foot-deep sun deck that is great for the little ones.
